RESEARCH INTERESTS

3D editing and reconstruction, with a broader interest in generative approaches for 3D content.

EDUCATION

College of Computing and Data Science, Nanyang Technological University Aug 2022 - Present
Ph.D. student. Supervised by [Prof Lin Guosheng](#).

College of Computer Science and Technology, Zhejiang University Sept 2018 - June 2022
Bachelor of Engineering. Supervised by [Prof Song Mingli](#) and [Prof Shen Chengchao](#).

EXPERIENCE

Tencent AIPD May 2025 - Present
Research Intern.

ACADEMIC SERVICE

Reviewer: CVPR 2024, BMVC 2026.

TEACHING

Teaching Assistant, SC2079 / CE3004 / CZ3004 Multidisciplinary Design Project. Aug 2023 - Dec 2024
College of Computing and Data Science, Nanyang Technological University. Three semesters (23S1, 23S2, 24S1).

SKILLS

Python, PyTorch
